

OHIO DEMOCRATS.
are losing up for another
Wharf at the Enemy.
Columbus, Ohio, February 22.—The free
Democrats of Ohio have been warned
that the party who deserted it last
year, to get back into the party
and the channel of the municipal cam-
paigns are about to begin—the ob-
ject being to control of the party ma-
jor and delegates to the State
legislature, who will vote against free sil-
ver. The position taken by the
late National campaign, and
a step toward the annihilation of
the party.

more no more will be heard of the
silver democratic party, and the lead-
ers in that organization, having served
the public to the fullest extent in the
cause, are sparing for a new opening
of democratic principles.

so-called "gold democrats" are
responsible for this work all over the

country. The majority are calling meetings
in every principal city to take steps to
stop the Nothing. Being the most ab-
surd can enable the gold democ-
rats to capture the State party machine
and bring from action now being
taken by free silver leaders will not be
possible.

A few decent democrats here have taken
initiative in the matter for the reason
that a similar situation gives the gold
standard a great advantage. Mayor C. H.
Tamm, whose term expires in April, and
who announced himself a candidate for
the office, deserted the democratic party
and with his entire cabinet re-
voked Bryan. To re-elect him
is the control of the party ma-
jor and render it overwhelmingly likely
that he would be able to send delegates
to the state convention pledged to vote
in the endorsement of the National
party of last year.

That there might be no misun-
derstanding in the matter there was a
series of the leading democrats last
evening at a series of resolutions, di-
rected to the candidates of Mayor
Tamm.

Stuart's Dyspepsia Tablets are sold by
all druggists at 50 cents per package.

They are manufactured by the Stuart
Chemical company of Marshall, Mich.

Any druggist will tell you it gives un-
iversal satisfaction.

NERVOUS DYSPEPSIA.

A CURE FOR IT.

Not a Patent Cure-all, Nor a Modern
Miracle, but Simply a Rational
Cure for Dyspepsia.

In these days of humbuggery and de-
ception, the manufacturers of patent medi-
cines, as a rule, seem to think their medi-
cines will not sell unless they claim that it
will cure every disease under the sun. And
they never think of leaving out dyspepsia
and stomach troubles. They are sure to
claim that their nostrum is absolutely cer-
tain to cure every dyspeptic and be need-
ful no further.

In the face of these absurd claims it is
refreshing to note that the proprietors of
Stuart's Dyspepsia Tablets have carefully
restrained from making any undue claims
or false representations regarding the
merits of this most excellent remedy for
dyspepsia and stomach troubles. They
make but one claim for it, and that is, that
for indigestion and other stomach troubles
Stuart's Dyspepsia Tablets is a radical
cure. They go no farther than this, and
any man or woman suffering from indiges-
tion, chronic or nervous dyspepsia, who
will give the remedy a trial will find that
nothing is claimed for it that the facts will
not fully sustain.

It is a modern discovery, composed of
harmless vegetable ingredients acceptable to
the weakest or most delicate stomach.
Its great success in curing stomach
troubles is due to the fact that the medical
properties are such that it will digest
whatever wholesome food is taken into
the stomach, no matter whether the stomach
is in good working order or not. It
rests the overworked organ and repletes
the body, the blood, the nerves, creating
a healthy appetite, gives refreshing
relief and the blessings which always accom-
pany a good digestion and proper assimila-
tion.

In using Stuart's Dyspepsia Tablets no
dieting is required. Simply eat plenty of
wholesome food and take these Tablets at
each meal, thus assisting and resting the
stomach, which rapidly regains its proper
digestive power when the Tablets will be
continued.

Nervous Dyspepsia is simply a condi-
tion in which some portion or portions of
the nervous system are not properly nour-
ished. Good digestion invigorates the nervous
system and every organ in the body.

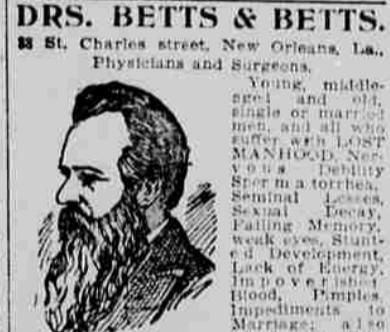

Stuart's Dyspepsia Tablets are sold by
all druggists at 50 cents per package.

They are manufactured by the Stuart
Chemical company of Marshall, Mich.

Any druggist will tell you it gives un-
iversal satisfaction.

DRS. BETTS & BETTS.

St. Charles street, New Orleans, La.
Physicians and Surgeons.

Young, middle-
aged and old,
